Ride Comfort:

Quietness:

Tread Life:

High-Performance Tread Compound
A specialized mixture of SBR solution and ultra-wearable carbon black particles allows this tire to boast a longer life while also providing improved wet skid resistance and wear resistance.

Large Block Face

The large block face design effectively increases the ground contact area of the tire to improve overall handling, wear and grip performance.

Four Extra Wide Main Grooves

Four widened main grooves enhance directional stability and water drainage to allow for a excellent handling and traction on wet and dry roads.

Pattern Pitch Optimization

The pattern pitch arrangement effectively reduces noise to create a quieter driving experience.
